DETERMINING FACTORS

FOR IF A PROPERTY WILL SELL OR WILL NOT SELL

FACTOR 1:

PRICING

When pricing your home it is important to carefully consider top market value. Using my competitive market analysis tool, I will suggest your home's best listing price. I sell homes HIGHER than the market average because I list homes at the correct price from the start.

FACTOR 2:

HOW IT SHOWS

It is important to have your home ready for market on day one. I will help you make sure your home is ready for showings and online by:

- Completing repairs that need to be done
- Decluttering & removing personal items
- Make sure the home is clean and smells fresh
- Cleaning carpets
- Neutralizing spaces and walls

FACTOR 3:

MARKETING

I offer SUPERIOR MARKETING TECHNIQUES to help get your home sold faster and for more money than the competition.

•PROSPECTING

Prospecting daily for potential buyers, talking with neighbors, and our co-op agents and past clients.

•MARKETING

The second you sign with me, I go to work on marketing your home! COMING SOON MARKETING, ONLINE MARKETING, SOCIAL MEDIA MARKETING and PRINT MARKETING are all part of the success of getting your home seen by the most potential buyers, selling your home faster and for more money than the competition.

•COMMUNICATION

Actively communicate with you through every step of the process. Diligently sharing feedback from showings, following up with agents after viewing the home, and calling weekly to discuss the progress from the previous week.

PRICING YOUR HOME

TO SELL QUICKLY

Using a scientific market analysis in your area, we will price your home correctly the first time so that it will sell quickly.

If your home is priced at fair market value, it will attract the largest number of potential buyers in the first few weeks.

If a home is overpriced it will attract the fewest number of buyers looking to purchase a home. The majority of home buyers look at a lot of homes, and they quickly get a feel for the price range that homes sell for in a given condition and location.

PREPARING TO LIST

MAXIMIZE YOUR HOME'S POTENTIAL

A clean, neutral, and streamlined look helps buyers to imagine what life would be like in your home. The action points below will help them be able to do that.

1	EXTERIOR	• Wash or paint the home's exterior • Paint the front door • Keep the yard nicely trimmed • Keep the lawn free of clutter • Weed and freshly mulch garden beds • Clean interior and exterior windows • Apply fresh paint or stain to wooden fences
2	INTERIOR	• Remove personal items, excessive decorations & furniture • Replace or clean carpets • Get rid of clutter and organize and clean closets • Apply a fresh coat of paint to walls, trim, and ceilings • Replace outdated ceiling fixtures and clean lighting fixtures • Minimize and clean pet areas in the home • Be sure that all light bulbs are in working order
3	PAINT & FIXTURES	• A new coat of exterior paint helps a home's curb appeal. It isn't a low-budget item, but if you can swing it...DO IT • If you can't paint the entire home, paint the trim. This is a relatively simple thing to do and it helps give a home that wow factor • Update exterior light fixtures. This can quickly give a home an updated look • Put a fresh coat of paint on the front door

THE ART OF STAGING

Staging a home is definitely different than designing a home. The goal of hiring a stager is to have a trained eye come into your home and look at it as a buyer would. This service is provided to create a clean, decluttered look so that potential buyers can look at your home like a blank canvas to envision all their loved ones and belongings in the space for years to come.

BENEFITS OF STAGING

- LESS TIME ON THE MARKET
- INCREASED SALE PRICE
- HIGHLIGHTS THE BEST FEATURES OF THE HOME
- DISGUISES FLAWS OF THE HOME
- DEFINES SPACES AND REVEAL THE PURPOSE OF EACH SPACE
- DEMONSTRATES THE HOMES FULL POTENTIAL
- CREATES THE WOW FACTOR YOU WILL NEED IN PHOTOS TO MAKE YOUR HOME STAND OUT

A PICTURE IS WORTH

A THOUSAND WORDS

A listing's photos are often the first and sometimes only opportunity to attract a potential buyer. Most buyers are finding their homes online and photos are the first impression of your home. Pictures are the key to getting a home noticed, showings scheduled, and therefore sold. As your agent, I will ensure that your listing will be shown in its best light. Many times a buyer has already decided if they are interested in your home just from the pictures online, without ever stepping foot inside your home.

Listings with professional photos sell FASTER & for MORE MONEY than listings with amateur photos. With an average difference of \$3,400 - \$11,200 & a 21-day faster sale time. (Redfin)

90% of home buyers use the internet to search for their dream homes, and 87% of buyers find high-quality photos to be very useful in their home search. (NAR)

Listings with high-quality photos receive 118% MORE VIEWS than listings with low-quality photos, this highlights the importance of standing out in a crowded online marketplace. (Zillow)

WE HAVE YOU COVERED

☑ A SECURE LOCKBOX WILL BE USED

This allows real estate agents access to show buyers your home securely. The lockbox holds the keys to the home and is typically found at the front guarded by a security lock that only licensed agents have access to.

☑ STOW AWAY VALUABLES & FIRE ARMS

Before showings make sure that all valuables and fire arms are put away and out of sight. This includes even mail left out (which may contain personal information and bank statements). Items of value such as jewelry, artwork, cellphones, and gaming systems should also be out of site. It's a good idea to walk through your house before showings and make sure everything of value is out of sight.

☑ REQUIRE APPOINTMENTS FOR ENTRY

Now that your home is online many know that it is for sale. For your safety, NEVER let a stranger into your home. While it is likely that it is just someone that saw the sign in your yard and is interested in getting a quick look, you just never know. Ask them politely to call your agent who handles all showings.

☑ REMOVE PRESCRIPTION DRUGS & MEDICATION

Clean out your medicine cabinets and any other place you may store medications and hide them away. There have been instances of people intentionally going to home showings to take medications freely.

☑ PUT AWAY BILLS & OTHER MAIL PIECES

With identity theft on the rise it is important to put away all mail pieces with your information on them. If this information ends up in the wrong persons hands, it can easily lead to identity theft.

☑ BE EXTRA VIGILANT ON KEEPING DOORS LOCKED

Often times a home for sale means home owners are not at home. So be sure to always keep your doors and windows locked.

☑ KEEPING YOUR HOME SAFE

Once your listing goes live, we provide all the necessary shoe covers, hand sanitizer, protective gear, and friendly reminder signs for all of your showings.

MARKETING PLAN

NETWORKING	SIGNAGE	SUPERIOR ONLINE EXPOSURE
A large percentage of real estate transactions happen with co-operating agents in the country. I will expose your listing to this market.	A sign will be placed in your yard as well as pointers and open house signs before an open house. These will be placed at the most opportune times to gain the most exposure.	Buyers in today's market first start their search online. Not only will your home be featured in the local MLS, it will also be featured on the major 3rd party real estate sites, and syndicated to hundreds of other listing sites.
EMAIL MARKETING	PROPERTY FLYERS	LOCKBOXES
An email will be sent to our current buyer database of thousands of buyers searching for properties on my website. A new listing email alert will go out to my agent network of thousands of agents in the area.	Highly informative and creative property flyers will be displayed inside your home. These help potential buyers remember the key items and unique features of your home.	Lockboxes enhance home security by allowing agents to access the property conveniently as owners are expected to vacate the premises during showings. Having a lockbox makes this process much easier for all involved.
SHOWINGS	OPEN HOUSES	SOCIAL MEDIA
When we list your home, you will also be signed up with a showing service that immediately communicates with you when a showing is scheduled. When feedback isn't left, I will follow up with those agents requesting their feedback within 24 hours.	After reviewing many surveys, we have discovered the perfect formula for what day is best to list a home and the perfect day for an open house.	We practice regular social media marketing on today's top social sites which include and are not limited to: Facebook, Instagram, LinkedIn, YouTube, and Pinterest.

HOME SHOWINGS

FLEXIBLE

Be as flexible and accommodating to the buyers schedule as possible. We want to avoid having missed opportunities if at all possible.

INFORMED

Make sure everyone in the home is informed when showings are to happen so they can keep their spaces clean.

DAILY CLEANING

Keep up with daily messes. Wipe down kitchen and bathroom counters before leaving for the day.

ODORS

Avoid strong-smelling foods: Keep your meal prep as neutral and simple as possible.

FURRY FRIENDS

Keep pet areas clean. Clean up after your pets immediately and wash their bedding regularly. Hide pet food or litter. Not everyone is a pet person and it may hinder a potential buyers ability to picture themselves living in your home.

NATURAL LIGHT

Open blinds and curtains and let in as much natural light as possible. Leave lights on before you leave for a showing.

TRASH

Empty trash cans to avoid any odors. Try to empty trash cans nightly so that the home is fresh when you leave for the day.

TEMPERATURE

Keep the room temperature comfortable. This demonstrates to buyers that the HVAC is working properly.

PERSONALS

Make sure you place all valuables and prescriptions out of sight and in a safe place.

VACATE

Having a seller present can make buyers feel awkward. We want to make the buyers feel at home and stay awhile.

OFFERS

Price is just one of many considerations when deciding which offer is best for your home. Here are some of the other factors that matter.

CONTINGENCIES

The fewer contingencies on an offer the better. Shorter time periods are also valuable.

ALL CASH BUYER

A cash offer is usually more appealing than a finance offer as the seller doesn't need to worry about the bank approving the loan.

PRE-APPROVAL

Assures home sellers that the buyer can get the loan they need.

LOAN TYPE

A conventional loan is often the least complicated. This is an appealing choice for sellers. An FHA loan can cause delays because they require certain repairs and approvals.

CLOSING TIMELINE

You might need to close quickly to move on to the next adventure, or you might need to extend the closing to allow time for the next home to be ready. Choosing the offer with the closing time that fits your needs will be most attractive to you.

CLOSING COSTS

Sometimes an offer comes in high, but the buyer asks you to pay a percentage of the buyer's closing costs.

REPAIR REQUESTS

If the home needs some repairs, but you don't have the time or money to do them, a buyer who is willing to do them for you might be what you need.

OFFER PRICE

Of course, price matters too! If a high offer will cost you more in closing costs, repairs, or other factors—then it probably won't be the better offer.

NEGOTIATIONS

AFTER AN OFFER IS SUBMITTED

1

WE CAN:

- Accept the offer

- Decline the offer

If the offer isn't close enough to your expectation and there is no need to further negotiate.

- Counter-offer

A counter-offer is when you offer different terms to the buyer.

2

THE BUYER CAN THEN:

- Accept the counter-offer

- Decline the counter-offer

- Counter the offer

You can negotiate back and forth as many times as needed until you can reach an agreement or someone chooses to walk away.

2

OFFER IS ACCEPTED:

You will sign the purchase agreement and you are now officially under contract! This period of time is called the contingency period.

Now inspections, appraisals, or anything else built into your purchase agreement will take place.

FAQ

INSPECTION TIME FRAME:

TYPICALLY 10-14 DAYS AFTER SIGNING CONTRACT. NEGOTIATIONS USUALLY HAPPEN WITHIN 5 DAYS

COSTS:

NO COST TO THE SELLER. THE BUYER WILL CHOOSE AND PURCHASE THE INSPECTION PERFORMED BY THE INSPECTOR OF THEIR CHOICE.

POSSIBLE OUTCOMES:

INSPECTIONS AND POTENTIAL REPAIRS ARE USUALLY ONE OF THE TOP REASONS A SALE DOES NOT CLOSE.

COMMON PROBLEMS COULD BE:

FOUNDATION, ELECTRICAL, PLUMBING, PESTS, STRUCTURAL, MOLD, OR RADON

UPON COMPLETION:

•BUYER CAN ACCEPT AS IS

•BUYER CAN OFFER TO RENEGOTIATE

•BUYER CAN CANCEL CONTRACT

HOME APPRAISAL

If the buyer is seeking a loan to purchase your home they will need to have an appraisal performed by the bank to verify the home is worth the loan amount. As a seller we want the property to appraise for at least the sale amount or more. It is very difficult to successfully contest your appraisal. An experienced agent demonstrates certain strategies to reveal the value of the home prior to the appraisal.

APPRAISAL COMES IN AT OR ABOVE SALE PRICE

You are in the clear, and closing can be begin!

APPRAISAL COMES IN BELOW SALE PRICE

- Renegotiate the sale price with the buyer
- Renegotiate with the buyer to cover the difference
 - Cancel and re-list
 - Consider an alternative all-cash offer
- Appraisal waiver case-by-case situation

CLOSING THE SALE

WHAT TO EXPECT

Closing is when funds and documents are transferred in order to transfer ownership of the property to the buyer. The escrow officer will look over the contract and find out what payments are owed by who, prepare documents for closing, perform the closing, make sure all payoffs are completed, the buyer's title is recorded, and that you receive payoffs that are due to you.

YOUR COSTS

Seller commonly pays:

- Mortgage balance & penalties if applicable
- Any claims against your property
- Unpaid assessments on your property
- Negotiated real estate commissions
- Title insurance policy
- Home warranty

WHAT TO BRING

Sellers need to bring to closing:

- A government picture ID
- House keys
- Garage door openers
- Mailbox and any other spare keys
- Instructions for all smart home doorbells

AFTER CLOSING

Keep copies of the following for taxes:

- Copies of all closing documents
- All home improvement receipts
